

A RESOLUTION TO SUPPORT THE ACQUISITION AND CONVERSION OF OUT-OF-SERVICE RAILROAD RIGHT-OF-WAY TO A TRAIL FOR ALTERNATIVE TRANSPORTATION AND RECREATION

WHEREAS 48 miles of the former Manassas Gap Railroad which lie between Riverton Junction, in Warren County, and the Town of Broadway, in Rockingham County are in a state of disuse, all freight and passenger service having ceased;

WHEREAS the prospect of restoration of freight or passenger service along the aforementioned section of railroad is very unlikely;

WHEREAS the railroad, in its current state of disuse, is a blight on our community, and a danger to youth who may be tempted to trespass;

WHEREAS the railroad presents an opportunity to create a world-class trail providing bicycle, pedestrian and equestrian access to extraordinary landscape views and several important Civil War battlefields;

WHEREAS such trail would catalyze tourism-related economic growth; and greatly enhance recreational services in Broadway;

WHEREAS such trail would connect eleven communities including Broadway in Rockingham County, offering the option of safe alternative transportation within and between these communities to a broad segment of the local population, for commuting to work and school, thereby improving the quality of life;

WHEREAS an organization known as the Shenandoah Valley Rail Trail Exploratory Partnership, whose membership includes representation of each locality through which the trail would pass, has been formed to explore trail feasibility;

WHEREAS the 2020 Virginia General Assembly directed the state Department of Conservation and Recreation to study trail feasibility and deliver a report no later than November 1st, 2021;

THEREFORE BE IT RESOLVED that the Town Council of the Town of Broadway endorses the conversion of the aforementioned 48-mile discontinued railroad to a multiuse trail for alternative transportation and recreation;

FURTHERMORE the Town of Broadway resolves to join with the other trail localities in seeking the support of regional, state and federal agencies and the railroad's owner, Norfolk Southern Corporation, toward the goal of development of the trail.
